Scout Executive Ed Jacobs Leaves Chicago For Los Angeles

Chicago Area Council's Scouters will soon be bidding farewell to Ed Jacobs. After serving the Chicago Area Council since June of 1976, Ed Jacobs will assume the reign in the Los Angeles Area Council effective October 15, 1985.

Ed's accomplishments in the Chicago Area Council have been vast and far reaching. His dedication and devotion to the Scouting programs stems from a rich Scouting background as a boy. Ed started in Scouting as a Cub Scout, then continued his tenure as a Scout, Explorer, Eagle Scout, Vigil Honor Member of the Order of the Arrow and Camp Staff Member. As an adult Ed has held volunteer positions as a Scoutmaster, Webelos Leader, is Woodbadged trained, and served on the Jefferson City Council Finance Campaign.

Ed has actively participated in several Regional and National programs, and has an extensive background in giving leadership to several civic and fraternal organizations. Most notable is: Former National President, American Humanics Foundation, Alumni Association, 32nd Degree Mason and appointed by the Governor of the State of Illinois to serve on a 12 member committee to determine priority programs and funding for state programs.

Ed holds a B.A. Degree in Human Relations from Missouri Valley College, in Marshall, Missouri. With minors in English and Psychology.

After graduation Ed entered Professional Scouting as an Associate District Executive in the Buffalo Area Council. He then held professional Scouting positions as a District Executive, Field Director and twice the position of Director of Field Service-once in the Greater Niagara Frontier Council and then Allegheny Trails Council, in Pittsburg, Pennsylvania. In 1972 Ed became Scout Executive of the Central Ohio Council, in Columbus, Ohio, leaving that position in 1976 to become Scout Executive here in the Chicago Area Council.

Ed's arrival in Chicago was the beginning of a new and positive direction for Scouting in our Council. His experience and natural ability has made him proficient in staff management, fund raising community relationship, budget control, volunteer motivation, inner-city Scouting, camp operations and quality programming.

Ed Jacobs is a sterling example of what Scouting can do for the youth of today. But we would certainly be remiss if we did not mention Ed's real motivation in life, his family. Ed is married to a wonderful lady, Jean, who has also shared volunteer time as a Den Leader and Den Leader Coach, as well as a super supporter of Scouting in the Chicago Area Council. Ed and Jean have raised two children; son David, who like his father is an Eagle Scout, and daughter Laurie 5-year camp staff member at Owasippe Scout Reservation.

Although this article is both an announcement of Ed Jacobs continued success as a professional in the Boy Scouts of America, and an acknowledgement of the many successes that have been obtained through his leadership, we must take this opportunity to say "Thank you, and continued success" to you and your family.

ACCESSIBLE CAMPSITE AT OWASIPPE

Physically disabled Scouts want to experience the wonders of Owasippe just as much as able-bodied Scouts do. However, things that many able-bodied Scouts take for granted, such as being able to use washroom facilities, going to and from tents, and moving to and from campfire rings, pose real barriers to Scouts in wheelchairs or those having other mobility impairments.

Campsite 4 at Camp Carlen is now available for troops having Scouts with disabilities to camp at. Facilities for toilets, showers, and washrooms have been made barrier-free. Ramps provide easy access to and from tent sites, patrol sites, washrooms, and the fire bowl. Every other accommodation will be made to guarantee that Boy Scouts, who happen to have physical limitations, can experience a challenging, stimulating, and worthwhile summer camp that is no different from any other Scout's experience.

For more information, contact the Director of Camping at the Council Service Center, or Director of Scouting for the Handicapped at 559-0990.

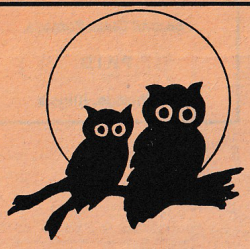
COUNCIL ANNUAL RECOGNITION DINNER

John R. Mynatt has agreed to serve as Chairman of the Council Annual Recognition Dinner. John Mynatt is a long time Chicago Area Council Scouter. He has served as chairman of the Food, Beverage and Hospitality Lunch-o-ree for several years and is an active member of the Council Executive Board.

When not involved with Scouting, John is Vice President and General Manager of Pepsi-Cola General Bottlers, Inc. He also works with the DuPage County Heart Association and the University of Illinois at Chicago Scholarship Committee. He is a member of the Illinois Food Retailers' Association, the Merchandising Executive Club of Chicago, and the Grocery Manufacturers' Sales Executives.

The dinner will be held on Saturday, January 25, 1986. The location will be announced.



Ode to Mom and Me

Composed 8-14-85
by MIKE and LAURIE BARRETTO

The Chicago Area Council
Had a wonderful plan
They contacted Calumet
And got a Director named Ann(a).

Anna worked hard with Mike
John and Dan at Owasippe;
They invited sons and mothers
And called it MOM AND ME.

Our friends Gabe and Mickey
Asked us to come along;
She said not to worry—
We won't have to sing a song.

We checked into the campsite
And chose a vacant tent
The outdoor experience taught us
What the word TENDERFOOD meant.

We swam a million meters
We shot a BB gun
Michael rowed the boat ashore
Tony showed archery was fun.

Ada built a campfire;
We cooked our meal in "swan";
Darryl taught us backfloat
So that we would not drown.

Diane is a camper
But she is also staff;
When Tommy sings about her sox
It really makes us laugh.

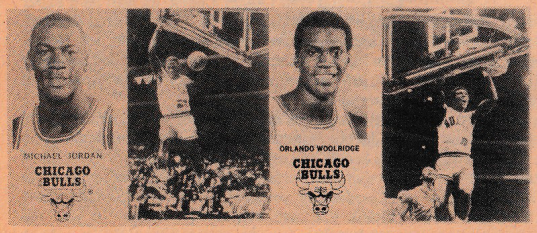
We've learned words like "Bahooka",
We're going to tie some knots,
We've met some nifty new friends,
Most of us have learned to sleep on cots.

We loved most every minute
Though thunder made us quiver;
And we'll leave with that record
If Todd does not serve LIVER.

We're quickly running out of clothes;
How to keep things dry is unclear.
But this has been such an AWESOME time
We'll see you all next year!

JOIN OUR TEAM

ROUND UP ENTERS SECOND QUARTER



When the buzzer sounded to end the first quarter of our Fall Roundup, we held a slight lead in membership. But each quarter brings with it new challenges and to meet those challenges, we have new fresh players to sustain the momentum and make the winning goal.

Our Join Our Team Roundup objectives are to offer every young person the opportunity to participate in the Scouting program through local neighborhood institutions. We must add new Troops, Packs and Explorer Posts to accommodate those young people desiring to join. We must increase and stabilize membership growth through the recruitment of adult volunteers who will assure delivery of a quality Scouting program.

Units can still sign up to participate in this fall's Round up. All the details are found in the Unit's Round up coordinator's manual or call your Scout Service Center. Scouting today is a great deal more than merely a youth training experience. It is America's resource whose foundations are set in the concrete of citizenship, character development and moral, mental and physical fitness. The responsibility of properly preparing youth for adulthood is awesome, yet Scouting uniquely meets this challenge head on through its variety of wholesome programs provided by trained adult volunteers. Remember, tomorrow's leaders are in today's Scouting program, so make your commitment today to take your best shot at goal to assure a winning 1985 season.

Scout Executive's Minute

by Edward C. Jacobs

AN APPRECIATIVE SCOUT SALUTE

It was with deep mixed emotions that I recently submitted my resignation as Scout Executive of the Chicago Area Council to Richard C. Halpern, President. The purpose of my resignation was to accept the position of Scout Executive for the Los Angeles Area Council, effective October 15.

Chicago has been my kind of town since my arrival in June of 1976. I am very proud of our many accomplishments and fully understand that they would not have been possible without the support, dedication, and spirit of the great volunteers and staff of our council. Chicago has the best corps of volunteers and staff of our council. Chicago has the best corps of volunteer Scouters in America, committed to providing a high quality Scouting program to an increased number of young people in our various neighborhoods.

Jean and I would like to express to each of you our very deep appreciation. Yo will all be in our thoughts and prayers. Thank you once again for your warm friendship.

I am proud to have been a Scout in the GREAT CHICAGO AREA COUNCIL!

The Chicago Area Council will hold the second annual Cub Scout Pushmobile Derby on Saturday, October 5, from 10:00 a.m. to 12:00 Noon. All Cub Packs are invited to join the fun at Sante Fe Speedway, 91st Street and Wolf Road, to race their pushmobiles.

FALL CAMPOREE
The Dynamic Austin District Fall Camporee will be at Hoover again this year. We want all units, Cubs and Scouts, to come out. The planning committee is working hard to ensure all events are safe and exciting. Scouts Jessie Landingham and Michael McMahon, of the Kanani Chapter of the O/A, are chairing this event; Charley Hughes, Advisor. When you know, you know, you know, but when you don't ...

TOGETHER PLAN
We have asked State Representative Robert LeFlore to chair this event. We'll invite all interested parties, churches and schools to come to Clark's Restaurant for cake/pie and coffee. We want to set a goal of 20 new units by December. We owe it to the boys.

ROUNDTABLES ARE FUN
We need all of our people involved in Scouting in Austin to come out to our roundtable. We have fun, and learn things, too! We don't spend a lot of time in talking, but we will be calling you to find out why **you** are not coming.

OOPS, WE'RE SORRY!!!
Left out of the September issue of the Scouter was recognition to William Webster of Pack 3399, who took four boys to Owasippe for Camp Akela. Bill was at Camp Carlen; and the Scouts had a fun time. Thanks, Bill, for taking those boys to camp. Hopefully they will grow up to be Scouts camping for a week at Owasippe.

MEMBERSHIP
We are at a critical point for youth membership in the district. Never has our registration been so low. Let's make a united effort to bring the Scouting program to all the youth in the area who need our program. School surveys and rallies are some of the most effective ways of bringing in new boys. We should also utilize churches, and neighborhood canvassing so that all boys can become involved. Remember that new boys mean new parents. We all need to get involved to make things work.
TIGER CUBS
This year, we plan to bring the Tiger Cub program back to Calumet District. Tiger Cubs can be a source of new membership to the pack in the future as well as a great way to get the younger boys involved. There are some new changes in the program, so read the Scouter and attend roundtables to keep informed. If you need more information or want to get a unit started, please call Anna at 559-0990.
COMMISSIONER SERVICE
Last spring, Harold Rosenquist accepted the challenge of becoming the District Commissioner. We need to help Rosey do his job well, and we can do this in several ways. First, we make arrangements to receive our charters promptly, as well as do our best to have them completed on time. Also, anyone who is interested in staying involved, or becoming a unit commissioner, should call Rosey at 374-8130 and let him know you want to help.
CUB-O-REE
The annual Cub-O-Ree will be held October 19 at Eggers Grove Site #1. For more information, call Joe DeLira at 721-1083.

We will begin Basic Cub Scout Training in November. The present dates are November 5, 12, and 16. These are important dates to remember for your new leaders that you will be recruiting this fall. POPCORN ANYONE?
Yes, there will be a popcorn sale this fall, and as always, the Miami District will be selling.

At this time each unit should have selected their unit Popcorn Chairman.

Our Popcorn Chairman for the District is none other than Alex Conley, Scouting Coordinator of Pack and Troop 4732, 1732. For full information, call Alex at 468-1196.

IT'S ROUNDUP TIME
October is the month for Roundup. Each pack and troop should hold an "Open House" to recruit boys and leaders for their unit.

If you need more boys and adults for your unit, and you need flyers to circulate in the schools, call Herb Wright at 559-0990.

Don't let your unit die on the vine, get "new" into your unit by adding new members.

A PENNY FOR YOUR THOUGHTS
If your unit is doing something worth mentioning or printing in the Miami District column, call us and let us know.

Call the South Area Secretary at 559-0990, and give her the good news about your unit.

YOUR UNIT CAN TAKE THE CAKE
At our monthly Roundtable, the unit that has the largest number in attendance will receive a cake.

Rules: The adults need not be registered, but the pack and troop of an institution cannot pool their attendance to make a great number to win.

Come to the October 21 Roundtable and see who takes the cake!

ROUNDUP
A roundup is a time for growing, growing in families. Scouting's main thrust is at the family level. The family helps boys prosper and mature in Scouting.
Many units think they can't run a program without leaders, they are right. Though last year's parents won't volunteer for jobs this year, you can't stop recruiting boys. Many fine tools are available for your use this fall. Make yourself aware of all the items and put them to use. The district, through the membership committee, will help any unit run a roundup, and will even show you how to recruit leadership. Contact Barbara Warzynski at 283-3120 for further information.

TRAINING
Do you want to offer your Scouts the very best program you can? The only way you can do this is to be a trained leader.
Boy Scout Leader Training will be conducted by George Harig (725-4383); Cub Scout Leader Training will be conducted by Jack Swinke (282-4474). Call for information on training, so you can be a **trained** leader!
FALL CAMPOREE: Will take place October 18-20, at Kiwanis Scout Camp. Events - First Aid Meet and Showando. Who to call? Terry Cook at 276-7843. See you there!
BOWL-A-THON: Saturday, November 9 at 1:00 p.m. All Scouts and Scouters with 10 pledges will bowl free. The event will be held at Turner Bowl, 6625 W. Belmont. More information at roundtable.

PLANNING DISTRICT EVENTS TIPS
It is strongly urged in all districts that they run no more than four events per year, per program, in each district. This should also coincide with the seasons. This is a maximum, allowing the units to run their own program without much interference from district programs. The district program is to only supplement, not replace unit programs.

GOD AND SERVICE AWARD
Delbert Gibson, Member-at-Large received the God and Service Award at Community Covenant Church in Blue Island on September 22. Our congratulations to Delbert for this honor and for all his hard work.

FALL ROUNDUP
This is an important time of the year to sign up boys for Scouting. Even if you have already had your rally you can still recruit boys for Scouting. Use the recruiting patch to encourage boys to continue recruiting boys. Turn in your applications as soon as you can to your commissioner. Remember, a boy is **not** a registered Scout until his application is processed at the Council office.

POW WOW
Pow Wow will be November 2nd at Malcolm X College. Pow Wow is a good place to get new ideas for your Cub pack. There will be sessions on songs and games, skits and puppets, crafts, ceremonies and much, much more. For information, contact your commissioner. (There is a registration form in the back of the Scouter.)

MEMORIAL
Chester Krzstofiak, assistant district commissioner and active Scouter for many years, died July 5th of a heart attack. The Broken Arrow Ceremony was done by the Achewon O/A Chapter on July 7. Our sympathy to the family of Chester Krzstofiak. We all will miss Chester very much.

OAK LAWN PARADE
Trophies were presented to the winning floats at the August meeting of the parade commissioners. Pack 3682 and Troop 682 received the large, first place trophy, second place went to Pack 3619 and Troop 619;...third place trophy went to the float built by the district. So, to Milt Andersen, Darrel Hammonds, Rich Jaske, Bob Delileo and Dave Grigg plus all the people who worked on this "Oak Lawn Alive in '85" project, we would like to say THANKS A BUNCH, you did a great job.

SANTE FE
Pack 3423, sponsored by Our Savior's Lutheran Church, was the winner of the second place trophy for their exhibit at the Santa Fe racetrack on June 23rd. Gary Johnson, Cubmaster, and the pack, add another trophy to their growing collection. Congrats!

O/A REPORT
Bill Swihart was very pleased at the Spring Fellowship. He saw the induction of many new members into the O/A and urges them to attend the meetings held at the First United Methodist Church, 100th and Central. Also, Bill was happy to see so many members of Quigeu Aney Chapter on the Owasippe staff this past summer. Congratulations to Kevin Lyne, John Adamitis, Troop 614, Steve Rooney, T-652, Steve Lechner, T-659, and Jeff Davis, T-1651.

JAMBOREE
Last July, Mike Igoe and Ed Wendling took two troops to Fort A.P. Hill, Virginia, for the Jamboree. Three boys from Ed's troop, John Stoll, Tom and Frank Vogel were in his Chicago area Troop 572. Mike's troop had seven boys from 1600: Alva and Mark Eaton, Andy Flowers, Brian Tatar, Mario Tinoco, Mark Santavaitis and Mike Mushinski. The experience they had in the Scouting program was something they will never forget. However, they had no idea that pitching tents was going to be a large part of that experience. When Hurricane Bob showed up, everything went down. For awhile, it was touch and go, but the men survived and no one was hurt. This is one campout these young men will never forget.

DISTRICT NOMINATING COMMITTEE
Each year, the Tri-Ridge District Scouts elect members to serve on its District Committee. (A group of people composed of lay, clergy and adult Scouters) who are registered Scouting Coordinators representing each institution that sponsors a Boy Scout troop, Cub pack or Explorer post. Annually, a letter for recommendations is mailed to each present District Committee member and Scouting Coordinator, so that they may suggest individuals who reside or work in the Tri-Ridge Scout District.

The district would like to receive those recommendations back by October 31, 1985. Mail to Sam Taylor, 730 West Lake Street, Chicago, Illinois 60606, Scout Headquarters.

DISTRICT ROUNDTABLES
Tri-Ridge District Cub and Scout Roundtables are held every third Monday at 7:30 p.m., Ridge Park. Roundtables are held to help update unit leaders on what's new and innovative in Scouting. To share ideas, and to seek help if you are having a problem, there are experienced Scouters who can help you. It is very important that each unit is represented on a monthly basis.

OCTOBER 5th LEADERS ROUNDTABLE:
The 1985-1986 program year will be highlighted at the next roundtable at the council office from 9-11 a.m. on Saturday, Oct. 5. Upcoming programs this year will be the Ft. Dearborn Massacre Trail, Pinewood Derby, Outdoor Skills Day, District Dinner, 1st Aid Meet, Council Camporall, etc. With a stable school year ahead of us, minus the threat of a pending strike, we should be able to kick off the program year strongly. Please see that your unit is represented on Oct. 5. You owe it to yourself, and your Scouts. We need your input!

OUTDOOR PROGRAM
We've all heard how "Scouting is outing," but have we really taken advantage of our camping facilities? Troop 80, Chicago Association for Retarded Citizens, had a fantastic camp-out this past July at Hoover Scout Reservation. Troop 66, Illinois Hospital School and Rehabilitation Center, will be camping (in beautiful cabins) this October at Hoover also. Scouts from seven special troops went to Owasippe Summer Camp in Michigan this past summer. Our local camps, Kiwanis in Willow Springs, Ft. Dearborn in Park Ridge, and Hoover in Yorkville, are all available for your Scouts to use. Some have accessible sleeping cabins, all have excellent camping accommodations. Why not schedule a weekend campout, or a day hike (make excellent school field trips), or a picnic. Camping equipment can be rented at all camps.

So, go on, give it a try! There is no better classroom than the beautiful outdoors. You and your Scouts should really make the effort to expand your outdoor program. It's not up to your Scouts, you know they want to get outdoors. It's up to you and me! Call Bill McCahill at 559-0990 to set up your unit's outing today. You won't regret it!

Yes, it's that time of year again. We will start our popcorn promotion next month. Our goal this year should be very challenging, but I know that if we really push ourselves, we will make our goal and them some. Do start getting that list of customers together!

IN-SCHOOL NEWS

Don't forget Pow Wow! The date is November 2 at Malcolm X College. So let's put together a great effort to get as many In-School folks there as possible.

You want more news? OK! By now you should already know that we have hired some part-time people to help with our In-School Scouting program. So, when you see them in your school, say hello, ask if you can give them a hand; believe me, they will need it.

OWASIPPE NEWS

Yes! Yes! Yes! We had a great turnout for our summer camp programs, which included camp for our Boy Scouts and our Akela-aged boys.

I would also like to thank my Scoutmasters, Darnell Moore and Jerome Gadberry, for coming out on such short notice and giving me a hand out at camp. Thanks, fellows, you did a great job!

ROUNDTABLE NEWS

Yes, folks, we had our first roundtable of the year. Like always, it was great, but there was something missing ... Can you guess what it was? Well, look in the mirror and you'll find the answer. So try very hard to make it to our next roundtable, because it's the best thing happening when it comes to In-School fellowshipping. When is it? October 19. Give me a call at 559-0990, so I can tell you our secret meeting place.

REMINDER

Don't forget that it's fall roundup time. Let's get out there and get all those boys who want and need Scouting, so they, too, can get in on the fun!!

We would like for Career Awareness posts to be represented at the council level. After all, there are more Career Awareness Explorers enrolled than there are Special Interest Explorers. We will be discussing and encouraging student participation at seminars and in other council programming throughout the school year.

SEPTEMBER 4th QUARTERLY SUMMARY: The Archdiocesan Quarterly Meeting this past September 4th was held at the Pines Restaurant in Forest Park. Father William Schumacher, Chicago Central Area Chaplain, made a motion to amend the Pope Paul VI award to make it available to units with active Catholic programs, but not sponsored to Catholic Churches. Fr. Schumacher will investigate the proposition farther with the National Catholic Committee, and report back at the December quarterly meeting.

RELIGIOUS AWARDS AVAILABLE: Cubs, Scouts, Explorers, adults, and units all have opportunities to promote the spiritual phase of Catholic Scouting. New this year to Chicago is the **Bronze Pelican Award,** the only adult Catholic religious award that can be earned. Below are brief summaries of the other awards.

•Parvuli Dei. This is a Christian family emblem to recognize Cub Scouts and Webelos Scouts for advancement in religious knowledge and spiritual formation. With the help of parents or guardians, the boy becomes more aware of God's presence in his daily life, especially within his home and community.

•Ad Altare Dei. The purpose of the Ad Altare Dei program is to equip the Boy Scout to take his place in the world as a maturing Catholic and a maturing American. With a religious emblems counselor, the boy meets requirements in eight steps covering the sacraments of initiation and the sacraments of maturity.

•Light is Life. This program is designed for Boy Scouts of the Eastern Catholic Churches. The content is based on the "God With Us" series of the Eastern Christian Formation Program to prepare the Scout to be an active member of his faith community, as well as his civic community. With the help of an emblems counselor, catechist, or priest, the Scout meets requirements in five steps covering the Holy Mysteries and Eastern Christian spiritually. The Light Is Life program respects the cultural and ritual differences among the various rites.

•Pope Pius XII. Scouts of high school age and young men and women who are Explorers are eligible for this award.

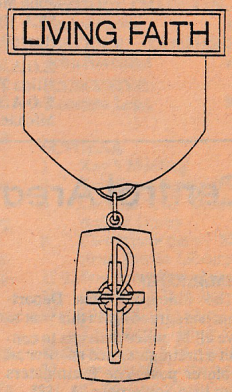
The requirements cover five units: We as Christians, Today's Vocation, Awareness of Responsibility to Self and Society, Citizenship-Home and Community, and Our Response to Faith.

•Saint George. This national recognition is presented to any adult who is working with the Scout program under Catholic auspices, to Catholics in Scouting units not chartered to the church, and to those who have made a significant contribution to Scouting in the field of Catholic relationships. It may be given to men, women, priests, religious, and non-Catholics.

•Pope Paul VI. Since 1973, the Pope Paul VI National Unit Recognition has sought to provide a set of standards to which local units could judge themselves according to a national norm. Requirements include all phases of the spiritual side of Scouting-emblems, activities, Scouter development training for leaders, service, and vocations. The recognition includes a patch for the youth member and leaders, a streamer for the unit flag, and a certificate for the Catholic partner organization. A total of 800 units in 131 dioceses and more than 50,000 youth and adult members have qualified. This program is made possible through the efforts of the Serra International Foundation.

FOR INFORMATION ON ANY OF THESE RELIGIOUS EMBLEMS, CONTACT RUTH ANKSTUTIS AT THE CYO OFFICE AT 939-7275.

LUTHERAN



LUTHERAN COMMITTEE ON SCOUTING

CHAIRMAN
John Cook 652-3864
ADVISOR
Tom Harrington 559-0990

The Lutheran Conference held at Philmont Scout Ranch for the past twenty five years prepares Lutheran pastors and laymen for service in Lutheran Scouting. Emphasis is placed on Scouting as a resource in the congregation's youth ministry and outreach.

This year, there were various denominations represented in the course, "Scouting in the Church's Ministry".We met for general sessions, and had break-away sessions where each denomination discussed the religious growth program and problems peculiar to its use of the Scouting program. Ron Adolphi led the Lutheran break-away sessions.

An understanding of the National Lutheran Association of Scouter's purpose, programs and goals were presented. Great emphasis was placed on the troop chaplain and the Scout position, chaplain's aide. Development of and the outgrowth of Lutheran Living Faith religious growth program for Lutheran Scouts from the former Pro Deo Et Patria was explained.

Next year's Lutheran Conference will be from July 17-23. Please contact the above persons for further information. I encourage all Lutheran Scouters to partake of this excellent program in the midst of God's country. Helping young men accomplish their denomination's religious growth program is a most rewarding experience

If you wish more information on any of the above items or the religious growth programs for Lutheran Scouts, you can contact Mr. Thomas Caddick, Chairman, Religious Growth Committee of this Lutheran Association, 736-6063.

This was a great experience and I urge other Lutheran Scouters to partake.

Mr. John Perham, Troop 936, received the visual symbol upon the completion of the Lutheran Living Faith regligious growth program on August 25, 1985, at our Saviour's English Lutheran Church.

AWARDS

On July 14, 1985, Gert and Ed Wendling were presented with the Bronze Pelican Award. This is a new Catholic award given to leaders involved in providing Scouts with a religious program. Congratulations to both.

THANKS

The members of Pack 3634 would like to extend their thanks to Mike Rock, for his term as Cubmaster. He replaced Jeff Wells a year ago, and did a great job. Jeff is back now and is looking for another active season with the Cubs. Also, the leaders would like to thank the Day Camp people for their efforts in putting on a great show.

DATE TO REMEMBER

November 2, Pow Wow time. Once a year, the Council holds their annual **POW WOW,** a truly fantastic show of Cubcraft and training. Remember the date, be there.

BOYS' LIFE HELPS

Boys' Life helps in many ways. It not only helps the unit but it also helps the boy. Some of these include: good reading habits, it works during a boy's leisure time, it delivers the program of the Boy Scouts of America, and it reinforces Scouting 24 hours a day.

When should boys be encouraged to subscribe? If the boy is already in the unit then the best time is when the unit is planning a fundraiser. For new boys the best time is when he first joins. Yes, have your Tigers take out a copy-what better way to encourage parental involvement in a Tiger Cub group.

Remember the cost of Boys' Life is now $6.60. If you're on the highly touted budget plan, then you will quickly realize that that means the cost per month is only 55 cents. Don't say you can't afford it, but it, and count the number of ways it helps boys to grow.
